## No Trouble Since

Mrs. Walker's Statement is Most Convincing Evidence.

When Mrs. Walker endorsed Doan's Kidney Pills she told of having received complete relief. Now Mrs. Walker tells how years have passed without any return of kidney trouble. Results that last are results that count. Norway people should gain by Mrs. Walker's experience.

Mrs. Persis A. Walker, Cottage St., Norway, says: "I felt badly and all symptoms pointed to kidney disorders. As my kidneys were weak, I got Doan's Kidney Pills at Stone's Drug Store. In a very short time they improved the condition of my kidneys very much."

Over two years later, Mrs. Walker said: "My system has remained free from kidney trouble since I used Doan's Kidney Pills."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Walker had. Foster-Milburn Co., Props., Buffalo, N. Y.

## Does It Run On Kerosene?

THE most important feature of a farm power engine today is the fuel it uses. That, more than anything else, determines its usefulness and economy.

At present prices of gasoline and kerosene, you could not afford to accept a gasoline engine as a gift, if you had to use it.

You could better afford to pay a big premium for a Mogul kerosene engine.

See the Mogul work on kerosene. Ask your dealer to show you the difference in fuel cost between a Mogul in any size from 1 to 50-H. P., and a gasoline engine of the same size. The figures will surprise you.

## What the Doctor Knows

KIDNEYS MUST BE RIGHT TO INSURE HEALTH.

Few people realize to what extent their health depends upon the condition of the kidneys.

The physician in nearly all cases of serious illness, makes a chemical analysis of the patient's urine. He knows that unless the kidneys are doing their work properly, the other organs cannot readily be brought back to health and strength.

When the kidneys are neglected or abused in any way, serious results are sure to follow. According to health statistics, Bright's Disease, which is really an advanced form of kidney trouble, caused nearly ten thousand deaths in one year, in the State of New York alone. Therefore, it is particularly necessary to pay more attention to the health of these important organs.

An ideal herbal compound that has had remarkable success as a kidney remedy is Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

The mild and healing influence of this preparation, in most cases, is soon realized, according to sworn statements and verified testimony of those who have used the remedy.

When your kidneys require attention, get Swamp-Root at once from any pharmacy. It is sold by every druggist in bottles of two sizes—50c. and \$1.00.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention the Norway Weekly Oxford Co. Advertiser.

**OLDER BUT STRONGER**

To be healthy at seventy, prepare at forty, is sound advice, because in the strength of middle life we too often forget that neglected solids, or careless treatment of slight aches and pains, simply undermine strength and bring chronic weakness for later years.

To be stronger when older, keep your blood pure and rich and active with the strength-building and blood-nourishing properties of Scott's Emulsion which is a food, a tonic and a medicine to keep your blood rich, alleviate rheumatism and avoid sickness. No alcohol in Scott's.

## Buy Your Kerosene Where You See This Sign

IT is the Socony sign—displayed by all dealers who sell genuine Socony (So-CO-ny) Kerosene Oil.

A good product is worth giving a name to. Accordingly, we have given the trademarked name Socony to our best grade of kerosene oil. Ask for Socony and you are sure of getting the best.

Every gallon of Socony Kerosene conforms to certain fixed standards of quality. And quality is just as important in kerosene as it is in any of the other things you buy from your grocer—sugar, or flour or butter.

Socony Kerosene is free from dirt or other impurities, burns with a clear full flame, and does not make wick crust. It is so much better than ordinary kerosene that it is decidedly worth asking for.

Say "Socony" to the grocer's boy when he comes to take your oil can. Look for the Socony sign in the window of the grocery, hardware or general store where you buy your kerosene.

It is a quality sign and one of the easiest ways to recognize a reliable dealer.

We recommend the following oil burning devices as the best of their kind: *New Perfection* Oil Cookstoves and Water Heaters, *Perfection* Smokeless Oil Heaters, *Ruyo* Lamps and Lanterns.

### BETHEL

Files-Andrews

On Monday, May 1 at 2 o'clock occurred the marriage of George Arthur Files and Isabelle Andrews at the home of Miss Andrews' cousin, Mrs. Belle Bennett at Bethel.

The ceremony was performed by Rev. J. H. Little of the Universalist church, who used the double ring service. The bride was a very attractive young lady and was becomingly gowned in a dress of light blue silk crepe de chene. The groom wore a suit of dark blue.

Mrs. Files is the daughter of the well known farmer, Freeman Andrews, who has lived in Lovell over seventy years. She was in Fryeburg Academy two years and gave up her school on account of her father's illness and since then has been at home helping care for him.

Mr. Files is the son of John C. Files of Stoneham and has spent most of his time working in the mills at Bethel and Stoneham.

Mr. and Mrs. Files are liked by all and we wish to send them our very best wishes for a happy life together. They will reside at the home of Mrs. Files' father at Northeast Lovell.

All persons interested in Automobiling should visit the Norway Auto Co., May 6.

Mrs. Alice Freelove will display her millinery at North Waterford, East Stoneham and North Lovell. See her ad in another column for dates, etc.

### NORTH NORWAY.

Mrs. E. A. Cox has been spending a week with her son Claude in Auburn. D. A. Cummings of Albany took dinner with O. W. H. Judkins, Tuesday. He was selling early seed peas and other garden seeds.

May basket time has arrived once more and the young people of this vicinity are improving their opportunity.

The French brothers, Arthur Herriek and Oscar Cox have been spraying their fruit trees here this week and the air is filled with the odor of brimstone.

E. T. Judkins recently sold Lendall Yates three good pigs.

Claude Haskell has been at work for Spaulding Abbott several days the past week.

O. W. H. Judkins, also E. T. Judkins, were in Oxford Monday.

E. A. Cox and son, who got the wood for the Swift's Corner school this year, have it all fitted and in the shed at the school-house.

### EAST WATERFORD

AFTER SIX YEARS OF SUFFERING

Woman Made Well by Lydia E. Pinkham's Vegetable Compound.

Columbus, Ohio. "I had almost given up. I had been sick for six years with female troubles and nervousness. I had a pain in my right side and could not eat anything with my stomach. I could not drink cold water at all nor eat any kind of raw fruit, nor fresh meat nor chicken. From 178 pounds I went to 118 and would get so weak at times that I fell over. I began to take Lydia E. Pinkham's Vegetable Compound, and ten days later I could eat and it did not hurt my stomach. I have taken the medicine ever since and I feel like a new woman. I now weigh 127 pounds so you can see what it has done for me already. My husband says he knows your medicine has saved my life."

Mrs. J. S. BARLOW, 1624 South 4th St., Columbus, Ohio.

Lydia E. Pinkham's Vegetable Compound contains just the virtues of roots and herbs needed to restore health and strength to the weakened organs of the body. That is why Mrs. Barlow, a chronic invalid, recovered so completely.

It pays for women suffering from any female ailments to insist upon having Lydia E. Pinkham's Vegetable Compound.
